1. Introduction	1	Section 3: Antimuscarinic Agents ...	42
2. Pharmacology Basics	5	Section 4: Direct-Acting Adrenergic Agonists	45
Section 1: Pharmacokinetics	3	Section 5: Indirect-Acting Adrenergic Agonists And Other Stimulants	50
Section 2: Pharmacodynamics	14	Section 6: Mixed-Reaction Adrenergic Agonists	53
3. Drug-Herb Interactions	19	Section 7: Alpha Adrenergic Blocking Agents	55
Section 1: Absorption	19	Section 8: Beta Adrenergic Blocking Agents	57
Section 2: Distribution	20	5. Drugs Affecting The Central Nervous System	65
Section 3: Metabolism	21	Section 1: Drugs For Parkinson's Disease	67
Section 4: Elimination	21	Section 2: Anxiolytic AND Hypnotic Drugs	73
Section 5: Therapeutic Margin	21	Section 3: CNS Stimulants	82
Section 6: General Guidelines For Treating Patients With Chinese Medicine Who Are Already Taking Western Drugs	22	Section 4: Antidepressants	86
4. Drugs Affecting The Autonomic Nervous System	35	Section 5: Drugs For Mania	99
Section 1: Cholinergic Agonists	38	Section 6: Neuroleptic or Antipsychotic Drugs	100
Section 2: Anticholinesterases (Reversible)	40		

Section 7: Opioid Analgesics And Antagonists 109

Section 8: Drugs Used To Treat Epilepsy 117

6. Drugs Affecting The Cardiovascular System 127

Section 1: Inhibitors Of The Renin-Angiotensin System 128

Section 2: Beta Adrenergic Blocking Agents 133

Section 3: Diuretics 134

Section 4: Vasodilators 144

Section 5: Inotropic Agents 150

Section 6: Antiarrhythmic Agents ... 154

Section 7: Calcium Channel Blockers 164

Section 8: Other Antihypertensives 167

Section 9: Platelet Inhibitors 168

Section 10: Anticoagulants 173

Section 11: Drugs Used To Treat Bleeding 178

Section 12: Drugs Used To Treat Anemia 179

Section 13: Anticholinesterases (Reversible) 180

Section 14: HMG-COA Reductase Inhibitors 181

Section 15: Other Agents Used To Treat Hyperlipidemia 184

7. Drugs Affecting The Cardiovascular System 127

Section 1: Hormones Of The Pituitary And Thyroid 189

Section 2: Antidiabetic Drugs 194

Section 3: Estrogens And Androgens 203

Section 4: Adrenocorticosteroid Hormones 212

8. Drugs Affecting The Respiratory System 221

Section 1: Agents Used To Treat Asthma 221

Section 2: Agents Used To Treat Allergic Rhinitis 226

Section 3: Agents Used To Treat Chronic Obstructive Pulmonary Disease 230

Section 4: Agents Used To Treat Cough 231

9. Drugs Affecting The Gastrointestinal System 233

Section 1: Agents Used To Treat Peptic Ulcer Disease 233

Section 2: Antiemetic Agents 240

Section 3: Antidiarrheals 243

Section 4: Laxatives 244

10. Chemotherapeutic Agents 247

Section 1: Inhibitors Of Cell Wall Synthesis 252

Section 2: Protein Synthesis Inhibitors 257

Section 3: Fluoroquinolones, Folate Antagonists, And Urinary Tract Antiseptics 262

Section 4: Antimycobacterial Drugs 267

Section 5: Antifungal Drugs	271
Section 6: Antiprotozoal Drugs	276
Section 7: Anthelmintic Drugs	282
Section 8: Antiviral Agents	288
Section 9: Anticancer Drugs	299
Section 10: Immunosuppressive Drugs	307

11. Anti-Inflammatory Drugs 247

Section 1: Non-Steroidal Anti- Inflammatory Drugs	313
Section 2: Other Analgesics	324
Section 3: Disease-Modifying Antirheumatic Drugs	326
Section 4: Drugs Used To Treat Gout	328
Section 5: Drugs Used To Treat Migraines	330
Section 6: Drugs Used To Treat Ulcerative Colitis	332

12. Miscellaneous Drugs 335

Section 1: Agents Used To Treat Erectile Dysfunction	335
Section 2: Agents Used To Treat Osteoporosis	337
Section 3: Agents Used To Treat Obesity	339
Section 4: Aids For Smoking Cessation	341
Section 5: Skeletal Muscle Relaxants	342

13. Provisional Chinese Medical Descriptions Of Western Drugs By Category 345

Chapter 4: Drugs Affecting The Autonomic Nervous System	346
Chapter 5: Drugs Affecting The Central Nervous System	353
Chapter 6: Drugs Affecting The Cardiovascular System	358
Chapter 7: Drugs Affecting The Endocrine System	362
Chapter 8: Drugs Affecting The Respiratory System	366
Chapter 9: Drugs Affecting The Gastrointestinal System	368
Chapter 10: Chemotherapeutic Agents	371
Chapter 11: Anti-Inflammatory Drugs	374
Chapter 12: Miscellaneous Drugs	376
