

TABLE OF CONTENTS

Preface	v
Chinese Medicine Basic Theory	1
Yin Yan Theory	4
Five Phases	15
Five Phase Theory	15
Mutual Engenderment	16
Mutual Restraint	17
Wood	18
Fire	20
Earth	21
Metal	24
Water	25
Life Principles, i.e., Physiology	27
The Five Viscera [and] Six Bowels	27
Liver	30
Gallbladder	44
Heart	46
Small Intestine	53
Spleen	54
Stomach	64

Lungs	70
Large Intestine	78
Kidneys	78
Urinary Bladder	89
Triple Burner	90
The Life-gate	94
The Six Extraordinary Bowels	98
Brain	99
Uterus	101
Qi & Blood, Fluids & Humors, Essence & Spirit	101
Qi & Blood	101
Constructive & Defensive	114
Fluids & Humors	118
Essence & Spirit, Form & Spirit	121
Disease Causes & Mechanisms	145
Diseases Causes	145
External Causes	146
Wind	147
Cold	148
Dampness	147
Summer Heat	153
Dryness	155
Heat	156
Fire	158
Internal Causes	162
Neither Internal & External Causes	166
Diet	166
Lifestyle	168
Phlegm	171
Blood Stasis	176
Disease Mechanisms	237
Yin-Yang Disease Mechanisms	178

Five Phase Disease Mechanisms	185
Qi & Blood Disease Mechanisms	186
Viscera & Bowel Disease Mechanisms	201
Liver-gallbladder Disease Mechanisms.....	202
Heart-small intestine Disease Mechanisms	209
Spleen-stomach Disease Mechanisms	212
Lung-large intestine Disease Mechanisms	218
Kidney-bladder Disease Mechanisms	220
Channel & Network Vessel Disease Mechanisms	209
Miscellaneous Disease Mechanisms	227
Treatment Principles	237
Bibliography	259
